# "Look who's smiling now!"

"The department head's job had just been left vacant. When the boys in the office learned I was gunning for it, they gave me their widest grin. One thing they didn't know: I had made up my mind sometime back to take LaSalle training that would qualify me for a better job. My study paid off so fast it surprised even me—I was picked for that shiny promotion over everyone's head. Who wouldn't be smiling with a neat new \$1,500 increase?"

**I**A MAN'S FILES are filled with letters with this kind of story from LaSalle graduates who have rapidly climbed the ladder of success. You, too, can qualify for the career opportunity of your choice through LaSalle home study—without interfering with your present work—and by devoting only a little of your spare time.
